### ICONIC LIVING

Proudly presenting a spacious 2 bedroom ground floor apartment with both a courtyard and deck. Built in the 1880's, 101 Alma Rd has always been an iconic expression of a grander lifestyle. This beautiful mansion has come of age again. Far more than a facade, the design retains all the spirit of the past.

The 2 bedroom apartment, with an individual parking space, has high ceilings and polished board. The real beauty is in the meticulous attention to detail:
