Here is the blank canvas you have been searching for. A short stroll from the buzz of Bondi Beach this un-renovated semi is in a desirable pocket of North Bondi, with prized off-street parking for at least two vehicles, set on 245 m2, just waiting for an astute buyer to realise its potential.

Currently two bedrooms, two sunrooms, living and dining spaces, North East facing covered courtyard and shed (formerly the garage).

Bring your builder and your imagination and transform this neglected home into a spectacular coastal residence.
