Big family living or big future potential!

Flooded with natural light, this spacious family home offers generous living areas with five bedrooms, well-planned layout with open flowing plan and walking distance to local facilities. Located in a private court, it is ideally suited to a big family that require space yet privacy.

Entrance through a double timber door to the lounge area with secluded bar corner. Head to formal dining area through a timber bi-folding door to the main living area equipped with fire place and access to a private courtyard. Large kitchen with dishwasher, plenty of storage and space for double door fridge. Return bench to an open separate meals area with plenty of natural light from two skylights.

Master bedroom is located in front of the property with his and hers robe and a private ensuite. The second bedroom comes with a study nook and big laundry with plenty of storage and access to an undercover BBQ area.
