Step Inside to a Heartwarming Surprise

Enjoy the sunshine and serenity and be surprised when you step into this architecturally designed Tri-Level home. Offering a unique opportunity and highlighted by soaring windows taking in spectacular views of the hills and bordering the National Park this house boasts a huge open plan living area comprising lounge, dining, galley style kitchen, rumpus and 'conversation pit' with its own open fire place, two large timber decks ideal for alfresco dining, 4 bedrooms, music or study room, two bathrooms and a large laundry. Other features include ducted heating, cathedral ceilings, polished floor boards, plenty of storage, double garage, landscaped gardens.

Open for entertaining.
