AWAITING THE NEXT GENERATION

The possibilities are endless with this double-fronted 1920's timber period home offering scope to enhance or alternatively a superior new home or multi-unit site (STCA) on a wide block with 17m frontage and total land of 730sqm approximately.

Nestled in a long established garden, this flexible home with old fashioned values and lingering charm including polished baltic pine floors and comprises verandah entry to entrance hall, kitchen with adjacent meals, family room, 3 bedrooms, central bathroom, and laundry.

Position is paramount and this is one of the finest. In a lovely tree-lined street close to shops, restaurants, tram, train and bus, parklands and quality schools close by.
