### Hordern House: Elegant and Modern set on 3500 sqm (approx) of beautiful established gardens

\*\*\* INSPECT by appointment \*\*\*

Hordern House set on approx 3500 sqm (two titles) sits grandly within beautiful established gardens. This iconic home was built in the late 1940's with elegance and innovation in mind. Beautifully modernised this house features a 14' descending wall between the main lounge/dinning and the outside balcony creating a stunning indoor/outdoor entertaining area with sweeping views. High ceilings and polished floors have been preserved throughout with the upstairs living area boasting a gas log fire, main master bedroom with large ensuite and BIR, two additional bedrooms/study and separate bathroom. Downstairs living is only limited by your imagination. A large living area and additional master bedroom, three additional bedrooms/study with external access ideal for another family or professional office suite. Close to all transport and
