GRACE AND GENEROSITY

Set on magnificent corner block, 750 sqm approximately and orientated to the North, this charming 1930's solid brick family home enjoys excellent formal and informal entertaining areas with scope for enhancement. Boasting a rich array of period features including decorative ceilings, bevelled glass doors and windows and stained timber architraves and plate rails. Providing comfortable, roomy accommodation of entrance hall to formal sitting room with open fireplace, separate formal dining room, three bedrooms, central main bathroom, second combined bathroom and laundry, large kitchen/meals and huge family room. Deep established northern garden, ideal for kids and dog, "original"™ iron garage and workshop. Perfectly positioned on quiet street and service road
