Live In or Redevelop (STCA)

Currently tenanted this well maintained two bedroom brick veneer home occupies a block of approximately 1109 square meters which has the potential for many development opportunities (STAC) for the astute investor, builder or a family looking for a large plot of land. Pretty as a picture this home features a large lounge leading to the kitchen/meals with gas upright stove, main bedroom with double BIRs, 2nd bedroom with BIRs, bathroom with bath, separate shower and vanity, good sized laundry with plenty of cupboards and separate WC. Outside includes large covered entertainment area, two sheds and a huge rear yard. Other features include single garage with parking for a further 3 vehicles, air conditioning, and gas heating and outside venetian blinds. Endless Development Opportunities.
