This stunning one year old three bedroom townhouse is ready for you to move-in and start living your Bayside lifestyle.

Thoughtfully designed with a private gated entrance through your private landscaped courtyard through the front door into the expansive entrance, well equipped as a home office with powder room, laundry, plus storage and internal garage access.

Up the first flight of stairs to the expansive living zone featuring a large living/dining area. The wrap around kitchen has a large stone bench with room for stools, plenty of clever storage, Miele appliances including an oversized gas cooktop,
