LIVE THE LUXURIOUS LIFESTYLE YOU DESERVE

You will not be disappointed when inspecting this luxurious high-end townhouse residence.

With peace and security in mind the keyless garage and front entry allow you to step inside into the large free-flowing living zone and relax.

Featuring the large dining and living area that, with a slide of the rear glass doors, allow you to relax outside in your private fully landscaped paved courtyard oasis.

The fully equipped kitchen has plenty of cabinetry, a luxurious stone benchtop, double wall ovens, an oversized 5x burner cooktop plus a large fridge cavity and butler's pantry completes the functional design.

The laundry is hidden away offering an array of storage and the classy powder room is also available for guests nearby.

Up the stairs to the landing featuring a study nook. The three
